Re: Section 17.42 Appeal of 13.3 Grievances

In accordance with Section 17.281 of the PCLCD, I am appealing the Section 13.3 grievances of Carlos and Lee White to the CLRC.

The refusal of the LA/LB JPRLC to process Carlos's and Lee's Section 13.3 grievances in a timely manor constitutes failure to participate in a step of the grievance machinery, and according to Section 17.281, "the matter shall automatically move to the next higher level."

Carlos and Lee had their Section 17.41 hearings in early October and on November 8, 2015, the PMA told me that they had the transcripts and I would be getting a response shortly.

Earlier this week, when Luke Hollingsworth was asked when we would be getting an answer he said he did not know, that Mondo was in charge.

According to the NLRB, "failure to provide any information whatsoever is the equivalent of providing false and inaccurate information", and Local 13 and the JPLRC has provided us with nothing.

We demand the matter automatically move to the next higher level, the CLRC.

Sincerely,

Eric Aldape
