Re: Charge Against Brother Angelo Andrikos (Conduct and offense detrimental to the Local and unionism in general)

Under Article XIII of the ILWU Local 13's Constitution and By-Law, I hereby file charges against Brother Angelo Andrikos for conduct and offense detrimental to this Local and against Unionism in general.

Brother Andrikos served the Local from April to July 2014 as a Relief Business Agent and was entitled to compensation for those services from the Local, which he received. As part of his duties as Relief Business Agent, Brother Andrikos is responsible for representing the Local by patrolling the docks to ensure proper enforcement of the PCLCD and to represent the members of this Local who are working on the docks.

During the period mentioned, Brother Andrikos engaged in conduct that involved abuse and misuse of his position as Relief Business Agent by seeking to obtain personal gains from employers in the form of compensation and work hours for services not performed. Brother Andrikos committed these acts no less than fourteen times. See attached listing.

As such, I hereby submit this charge to the Office of the Secretary Treasurer and request a reading of this charge at the next Membership Meeting resulting in election of a Trial Committee to hear this charge.

Sincerely,

Robert Olvera, Jr.
President
