I am appealing the decision related to my workplace complaint involving the assault, and subsequent hospitalization, of ILWU Business Agent Mike Kennedy by PMA employee Charles Jones, on September 13, 2018.

I am appealing because the October 15, 2018, letter from Dean McGrath is a complete lie.

Dean is lying about what happened, why it happened, and what he can and is doing about it.

Dean's witness is unnamed and never appeared before the JPLRC on September 20<sup>th</sup> or 27<sup>th</sup> to answer questions about what happened on September 13<sup>th</sup>.

Attached is a copy of a document I sent to PMA regarding the proper contract procedures for assault complaints related to PCLCD employment.

Local 23 flat out lied to the investigator.
